**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic to be our internet provider as well as our home telephone provider because they are a local company AND they offered better service and rates than AT&T. We live rurally and we need the broadband to have these services at the best price. Almost all of our neighbors rely on Sonic to provide us with internet and phone service.

Please continue to let the market have competition and not just be at the mercy of the large corporations that only keep increasing the costs of internet and telephone service.

Sincerely,

Barbara Farrell
